

# Edith Sievers

## *Artist in Residence - June 2011*

### Yellow Barn Stone Tower

Edith Sievers' paintings have a distinct style of bold strokes and unique palettes. Edith is fascinated with the magnificent colors in nature. On canvas she captures varied terrains either while painting on location, or from her memory and her imagination. She paints primarily using oil, acrylic, and mixed media. Edith is also a sculptor who works with clay and explores other art media.

Edith's paintings will be on exhibit and for sale at the Stone Tower and at the Yellow Barn Gallery.
